September 21, 2020

The Equation

$$\text{REMO} = \text{IFH}$$

What an interview needs?

What an interview needs?

What an interview needs?

What an interview needs?

What an interview needs?

What an interview needs?

Technology Stack

- HTML, CSS
- Bootstrap
- Particle JS
- Javascript

- WebRTC API
- GitHub API
- Node JS
- Socket IO
- Nuvepro CloudLabs API

- Python
- Firebase
- GCP
- Heroku

Challenges

- Integrating Node JS framework with our website
- Lost track of work on Gitlab
- Connecting the pre-interview and interview room
- Calling the API's and having a running server to setup the virtual environment

Let's have a Demo for

REMO

Future Scope

01
Multipeer audio-video interface

02
Authorization & Authentication

03
Configuration & Installation

Not just a REVOLUTION it's

REMOlution
